

Love a Little Stronger

Diamond Rio

I don't leave any room for doubt
When it comes to you and me
You know all about the way I feel inside
You know how hard I try
But that don't mean that I can't Love a little stronger, dig a little deeper
Go a little farther, anything to please you girl
Tonight I'm gonna start all over
Show you girl what's in my heart
Oh, oh, oh, gonna love a little stronger You tell me you're the lucky one
But I see things differently
I have just begun to show you that you mean
Everything to me I still feel the need to Love a little stronger, dig a little deeper
Go a little farther, anything to please you girl
Tonight I'm gonna start all over
Show you girl what's in my heart
Oh, oh, oh, gonna love a little stronger Love a little stronger, dig a little deeper
Go a little farther, anything to please you girl
Tonight I'm gonna start all over
Show you girl what's in my heart
Oh, oh, oh, gonna love a little stronger Love a little stronger, dig a little deeper
Go a little farther, anything to please you girl
Tonight I'm gonna start all over
Show you girl what's in my heart
Oh, oh, oh, gonna love a little stronger
Gonna love a little stronger
Gonna love a little stronger
