

# Silent Scream (Slayer Ã±over) (Bonus)

## Children of Bodom

Nightmare!  
Mass depression, silent screams out there  
Damn it, into darkness  
Something that'll never rise  
Darkness!  
In this something that the world that follows rhyme  
Impetrate, simplest wine  
Deep within my spine Silent Scream!  
Tearing it up in time  
It'll die sucking the part where it'll die Shout!  
Another time  
Evil hard knock game  
Mistake!  
Mistaken, something that's chewing you down  
Scared!  
Of dangers of light  
Bury tainted guy  
Grain...  
Suffers rhyme  
Hard is something that is destroyed Silent Scream!  
The worst of the bitterest sound  
Evil does the light turn into stow Light!  
Free of dead  
Humanity mayday  
Destruction  
To the end show  
Preserved the nastiest prey  
Wake me up, and down  
Infinity to prey  
Selection to the later  
It brought us the end of the day Nightmare!  
Mass depression, silent screams out there  
Damn it, into darkness  
Something that'll never rise Innocent!  
We're all gonna die!  
Silent scream!  
It's the end of light!
