

Not A Bad Thing

Justin Timberlake

[Verse 1]

Said all I want from you is to see you tomorrow
And every tomorrow, maybe you'll let me borrow your heart
And is it too much to ask for every Sunday
If I were radical and every other day to start I know people make promises all the time
Then they turn right around and break them
When someone cuts your heart open with a knife, while you beating
But I could be that guy to heal it over time
And I won't stop until you believe it
'Cause baby you're worth it [Chorus]

So don't act like it's a bad thing to fall in love with me
Cause you might f*ck around and find your dreams come true, with me
Spend all your time and your money just find out that my love was free
So don't act like it's a bad thing to fall in love with me, me
It's not a bad thing to fall in love with me, me [Verse 2]
Now how about I'd be the last voice you hear at night?
And every other night for the rest of the nights that there are
Every morning I just wanna see you staring back at me
'Cause I know that's a good place to start I know people make promises all the time
Then they turn right around and break them
When someone cuts your heart open with a knife, while you beating (Don't you know)
But I could be that guy to heal it over time
And I won't stop until you believe it
'Cause baby you're worth it [Chorus]

So don't act like it's a bad thing to fall in love with me
Cause you might f*ck around and find your dreams come true, with me
Spend all your time and your money just find out that my love was free
So don't act like it's a bad thing to fall in love with me, me
It's not a bad thing to fall in love with me, me
It's not a bad thing to fall in love with me, me
Not such a bad thing to fall in love with me No I won't fill your mind, with broken promises, and wasted time
And if you fall, you'll always land right in these arms
These arms of mine [Chorus]
So don't act like it's a bad thing to fall in love with me
Cause you might f*ck around and find your dreams come true, with me
Spend all your time and your money just find out that my love was free
So don't act like it's a bad thing to fall in love with me, me
It's not a bad thing to fall in love with me, me
Not such a bad thing to fall in love with me
