Twenty Four Hours

Joy Division

So this is permanence, love's shattered pride
What once was innocence, turned on its side
Grey cloud hangs over me, marks every move
Deep in the memory, what once was loveOh, how I realized? How I wanted time?
Put into perspective, tried so hard to find
Just for one moment, I thought I'd found my way
Destiny unfolded, I watched it slip awayExcessive flash points, beyond all reach
Solitary demands for all I'd like to keep
Let's take a ride out, see what we can find
Valueless collection of hopes and past desiresI never realized the lengths I'd have to go
All the darkest corners of a sense I didn't know
Just for one moment I heard somebody call
Looked beyond the day in hand, there's nothing there at all
