

# Sugar

## Kid Rock

You see your reflection  
As it crosses the line  
You meet someone new  
For the hundred thousand millionth time And your heart stops beating  
But you can't stand still  
If Sugar won't kiss you  
Then I guess, I will A star on your tongue  
Tell me how does it taste, Sugar  
Chained to the ground  
As you're falling through space Sugar oh  
Sugar oh, oh  
Sugar oh  
Sugar oh, oh Each phone call absurd  
And your smile now, severe  
You're making mental postcards  
For lovers who are no longer here, here, here, here And your heart stops beating  
But you can't stand still  
If Sugar won't kiss you  
Then I guess, I will A star on your tongue  
Tell me how does it taste, Sugar  
Chained to the ground  
As you're falling through space Sugar oh  
Sugar oh, oh  
Sugar oh  
Sugar oh, oh Who will catch you as your sanity slips  
Blowing kisses from your honey lips  
Who will catch you as your sanity slips  
Blowing kisses from your honey, honey, honey, honey lips Sugar oh  
Sugar oh, oh  
Sugar oh  
Sugar oh, oh If you are lost you can be found  
When all your dreams come crashing down
