

# Red Clay Halo (Revival Outtake)

## Gillian Welch

Everything is free now,  
That's what they say.  
Everything I ever loved,  
I'm going to give it away.  
Someone hit the big score.  
They figured it out,  
That we're gonna do it anyway,  
Even if doesn't pay.I can get a tip jar,  
Gas up the car,  
And try to make a little change  
Down at the bar.Or I can get a straight job,  
I've done it before.  
I never minded working hard,  
It's who I'm working for.[Chorus]  
Every day I wake up,  
Come in a song.  
But I don't need to run around,  
I just stay home.And sing a little love song,  
My love, to myself.  
If there's something that you want to hear,  
You can sing it yourself.'Cause everything is free now,  
That what I say.  
No one's got to listen to  
The words in my head.  
Someone hit the big score,  
And I figured it out,  
That we're gonna do it anyway,  
Even if doesn't pay.
