Please Don't Lie

Ryan Cabrera

You're lost on
An island
Shipwrecked off the coast

I'm tryin'
To reach you
I can't get close

And all I ever wanted
Was something beautiful

[Chorus]
Please don't lie to me
It's all I ask of you
Please don't lie to me
Hurt me with the truth

Whatever you say
Couldn't take me away
I'm right by your side

Please don't lie

You're perfect
Too perfect
The painting
Never cracks

So show me
The canvas
Behind the mask

So tell me
What you're thinkin'
I know that there's more to say

[Chorus]

Show me you're there
Show me you're there

I'm on the outside
I know you're scared

[Chorus]
