

Intermezzo : M. Good V. M. Trolley

Matthew Good Band

How the hell does that guy do it?
Its impossible
Because the trolley's down here
Like down here
You cant get back, you gotta look
how are you supposed to pick up chicks
If you gotta look at what your doing
It's impossible
See, it cant be done
No human being can play that
It's gotta be like
Two midgets or something
