

Something in the Water

Carrie Underwood

He said, "I've been where you've been before.
Down every hallway's a slamming door."
No way out, no one to come and save me
Wasting a life that the Good Lord gave me Then somebody said what I'm saying to you
Opened my eyes and told me the truth."
They said, "Just a little faith, it'll all get better."
So I followed that preacher man down to the river And now I'm changed
And now I'm stronger There must've been something in the water
Oh, there must've been something in the water Well, I heard what he said and I went on my way
Didn't think about it for a couple of days
Then it hit me like a lightning late one night
I was all out of hope and all out of fight Couldn't fight back the tears so I fell on my knees
Saying, "God, if you're there come and rescue me."
Felt love pouring down from above
Got washed in the water, washed in the blood And now I'm changed
And now I'm stronger There must be something in the water
Oh, there must be something in the water And now I'm singing along to amazing grace
Can't nobody wipe this smile off my face
Got joy in my heart, angels on my side
Thank God almighty, I saw the light
Gonna look ahead, no turning back
Live everyday, give it all that I have
Trust in someone bigger than me
Ever since the day that I believed I am changed
And now I'm stronger There must be something in the water
Oh, there must be something in the water
Oh, there must be something in the water
Oh, there must be something in the water Oh, yeah I am changed
Stronger
