

Perfect Day

Roxette

Breathe some faith into my chest
Lay me down, I need the rest
Ever since the sky turned gray
I've waited for the perfect dayHey now, it seems you've always
Touched me like the sunThere's no escape for the broken-hearted
There's no return once you've lost your way
I say a prayer, now our love's departed
That you'll come back to stay
And bring the perfect dayBlinded by a crazy light
I fell into the darkest night
Those magic ties, the two of us
I couldn't see it turn to dustHey now, it seems you've always
Reached me like the sunThere's no escape for the broken-hearted
There's no return once you've lost your way
I say a prayer, now your love's departed
That you'll come back to stay
Bring back the perfect dayHey now, it seems you've always
Reached me like the sunThere's no escape for the broken-hearted
There's no return once you've lost your way
I say a prayer, now your love's departed
That you'll come back to stay
Bring back the perfect dayPerfect day
