## **Perfect Day**

## **Roxette**

Breathe some faith into my chest Lay me down, I need the rest Ever since the sky turned gray I've waited for the perfect dayHey now, it seems you've always Touched me like the sunThere's no escape for the broken-hearted There's no return once you've lost your way I say a prayer, now our love's departed That you'll come back to stay And bring the perfect dayBlinded by a crazy light I fell into the darkest night Those magic ties, the two of us I couldn't see it turn to dustHey now, it seems you've always Reached me like the sunThere's no escape for the broken-hearted There's no return once you've lost your way I say a prayer, now your love's departed That you'll come back to stay Bring back the perfect dayHey now, it seems you've always Reached me like the sunThere's no escape for the broken-hearted There's no return once you've lost your way I say a prayer, now your love's departed That you'll come back to stay Bring back the perfect dayPerfect day
