Goodnite

Jeroma

Goodnite
Close your eyes and just sleep tight
Lie awake and watch you dream
To be sure that all of your dreams are pure
My dear, don't you worry 'bout a thing
I'll be near to you all night
And through the evening
I'll be by your side
So goodnite
Close your eyes and just sleep tight
I'll lie awake and watch you dream
To be sure that all of your dreams are pure
While you slumber, in case you ever wonder
If a summer breeze just brushed your cheek
Know it's me
And goodnite
Close your eyes and just sleep tight
Lie awake and watch you dream
To be sure that all of your dreams are pure
