

# Will the Wolf Survive?

Waylon Jennings

Through the chill of winter  
Running across a frozen lake  
Hunters hard right on his trail  
All odds are against him With a family to provide for  
One thing he must keep alive Will the wolf survive?  
Will the wolf survive? Drifting by the roadside  
Lines etched on an aging face  
It wants to find some honest space  
Losing to the range wars He's got two strong legs to guide him  
Two strong arms keep him alive Will the wolf survive? Standing in the pouring rain  
All alone in a world that's changed  
Running scared now forced to hide  
In a land where he once stood with pride  
But he'll find his way by the morning light Sounds across the nation  
Coming from your hearts and minds  
Battered drums and old guitars  
Singing songs of passion It's the truth that they all look for  
Something they must keep alive Will the wolf survive?  
Will the wolf survive?  
Will the wolf survive?
