

Too Much

Spice Girls

Love is blind, as far as the eye can see
Deep and meaningless, words to me
Easy lover, I need a friend
Road to nowhere, twist and turns but will this never end Well my dear you'll know that he pleases me
(Pleases me)
But short time solution ain't no resolution
That ain't no release for me Too much of something is bad enough
But something's coming over me to make me wonder
Too much of nothing is just as tough
I need to know the way to feel to keep me satisfied Unwrap myself from around my finger
Hold me too tight or left to linger
Something fine built to last
Slipped up there I guess we're running out of time too fast Yes my dear you know he shows me
(Moves me)
There's no complication there's no explanation
It's just a groove in me Too much of something is bad enough
(Bad enough)
But something's coming over me to make me wonder
Too much of nothing is just as tough
(Just as tough)
I need to know the way to feel to keep me satisfied What part of no don't you understand
(Understand, understand)
I want a man not a boy who thinks he can
Boy who thinks he can Too much of something is bad enough
But something's coming over me to make me wonder
Too much of nothing is just as tough
I need to know the way to feel to keep me satisfied Too much of something is bad enough
(Bad enough)
But something's coming over me to make me wonder
Too much of nothing is just as tough
(Just as tough)
I need to know the way to feel to keep me satisfied Too much of nothing so why don't we give it a try
Too much of something we're gonna be living a lie
Too much of nothing so why don't we give it a try
Too much of something we're gonna be living a lie Too much of nothing so why don't we give it a try
Too much of something we're gonna be living a lie
Too much of nothing so why don't we give it a try
Too much of something we're gonna be living a lie
