Follow On

Paul Brady

When all is said and done,
You are the only one.Shutters on the windows,
Chains upon the door,
Sleepless nights, been waiting for an answer,
Dreams of Heaven falling,
Panic in the town,
Lonely men with fingers on the future.When all is said and done,
You are the only one.Follow on,
For the open road is waiting,
Like the sun,
We will welcome what tomorrow has to bring.
Be it fair or stormy weather,
Take my hand,
And we'll walk the road together,
I won't mind,
If it turns out that we never find the end,
'Cause all I ask is that,
You want me as a friend.Days of beauty calling,
Vanish through a haze,
Lost inside some spiral with no ending.
Still you bring me loving,
Free me with a touch
Lead me out to greet the calm descendingWhen all is said and done,
You are the only one.Follow on,
For the open road is waiting,
Like the sun,
We will welcome what tomorrow has to bring.
Be it fair or stormy weather,
Take my hand,
And we'll walk the road together,
I won't mind,
If it turns out that we never find the end,
'Cause all I ask is that,
You want me as a friend.All I ask is that you want me as a friend.
And we'll walk the road together,
I won't mind,
If it turns out that we never find the end,
'Cause all I ask is that,
You want me as a friend.'Cause all I ask is that,

you want me as a friend.When all is said and done,
You are the only one.Follow on.
