Stop Look and Listen

Devo

I hear 'em comin', can you hear em comin'?
I see 'em comin', can you see em comin'?
I feel 'em comin', gonna mess up the plumbing
It's D-E-V-O from O-H-I-O
It's D-E-V-O from O-H-I-O

I hear 'em comin', can you see em comin'?
I see em comin' can you feel em comin'?
Well keep on twitching
Gonna mutate the system
