

# Echo

## Incubus

There's something about the look in your eyes  
Something I noticed when the light was just right  
Oh , it reminded me twice that I was alive  
And it reminded me that you're so worth the fight, ooh yeah  
My biggest fear will be the rescue of me  
Strange how it turns out that way, yeah  
Could you show me dear, something I've not seen  
Something infinitely interesting?  
Could you show me dear, something I've not seen  
Something infinitely interesting? Oh  
Theres something about the way you move  
I see your mouth in slow motion when you sing  
More subtle than something someone contrives  
Your movements echo that I have seen the real thing, ooh yeah  
Your biggest fear will be the rescue of you  
Strange how it turns out that way, yeah  
Could you show me dear, something I've not seen  
Something infinitely interesting?  
Could you show me dear, something I've not seen  
Something infinitely interesting?
