

# The Last Time

Wynton Marsalis & Eric Clapton

Well, this the last time, honey babe  
For that many times before  
It's the last time, honey babe  
I mean I don't want you no moreWell, there's only one thing  
That grieves me to my heart  
Been together so long  
I would hate to partBut it's the last time, honey babe  
I mean it's the very last time, I mean  
I mean it's the very last time  
Honey, it's the last time, honey babe  
I mean it's the very last time  
Well, it's the last time, honey babe  
I mean I don't want you no more  
Well, I don't care, you can tell your brother  
Stop your ringing and twisting, mama  
'Cause I ain't going no further  
It's the last time, honey babe  
I mean it's the very last timeI said  
Dee-doo, dee-doh-dee-oh-doh
