

# What I Want

## Dead or Alive

What I want, what I need  
I can have anything that I wantWhat I need, what I need, what I want  
What I want, what I need, what I needI can have anything that I want  
But what you want from me I don't want none  
And I don't want to watch the TV  
Because that stuff don't appeal to meBut what I want's got simplicity  
What I want it wants only me  
What I want don't say no at all  
Listen blue eyes, shut up  
You've got what I want, what I want  
What I need, what I need  
What I want what I want  
What I need, what I need  
You have got it allWell I know how to have a good time  
And I know how to wipe up the thin white line  
And I know how to let my backbone slip (uh)  
I can do what I want but I don't do nothingBut what I want's got simplicity  
What I want it wants only me  
What I want don't say no at all  
Listen blue eyes, shut up  
You've got what I want, what I want  
What I need, what I need  
What I want what I want  
What I need, what I need  
You have got it allBut what I want's got simplicity  
What I want it want's me, me, me  
What I want well it ain't plucked chicken  
Listen blue eyes, shut up  
You've got what I want
