

# To Make You Feel My Love (Full Version)

**Jasper Steverlinck**

When the rain is blowing in your face  
And the whole world is on your case  
I could offer you a warm embrace  
To make you feel my loveWhen evening shadows and the stars appear  
And there is no one there to dry your tears  
I could hold you for a million years  
To make you feel my loveI know you haven't made your mind up yet  
But I would never treat you wrong  
I've known it from the moment that we met  
No doubt in my mind where you belongI'd go hungry, I'd go black and blue  
I'd go crawling down the avenue  
There ain't nothing that I wouldn't do  
To make you feel my loveThe storms are raging on the rollin' sea  
And on the highway of regret  
The winds of change are blowing wild and free  
You ain't seen nothing like me yetI could make you happy, make your dreams come true  
There ain't nothing that I wouldn't do  
Go to the ends of the earth for you  
To make you feel my love x3
