## Local H

No, no, no, no, no, no, no, no, no  
I'll cut you in a minute  
You know you should admit it, oh yeah  
No, no, no, no, no, no, no, no, no  
I'll cut you in a minute  
You know you should admit it, oh yeahNo, no, no, no, no, no, no, no, no  
I'll cut you in a minute  
You know you should admit it, oh yeah  
No, no, no, no, no, no, no, no, noThere's no turning back I guess that you knew that  
My eyes are turning black and my brain is getting fat  
I'm staring at some ants that are swimming in shellac  
I won't do this again, noNo, no, no, no, no, no, no, no, no  
No, no, no, no, no, no, no, no, no  
No, no, no, no, no, no, no, no, no  
No, no, no, no, no, no, no, no, noNo, no, no, no, no, no, no, no, no  
I'll cut you in a minute  
You know you should admit it, oh yeah  
No, no, no, no, no, no, no, no, no  
I'll cut you in a minute  
You know you should admit it, oh yeahNo, no, no, no, no, no, no, no, no  
I'll cut you in a minute  
You know you should admit it, oh yeah  
No, no, no, no, no, no, no, no, noHere I go again I should be among friends  
I'll let you know when I start to feel a nerve end  
That should be around ten so just shut up until then  
Soaked in glow stick juiceNo, no, no, no, no, no, no, no, no  
No, no, no, no, no, no, no, no, no  
No, no, no, no, no, no, no, no, no  
No, no, no, no, no, no, no, no, no
