Freckles

Oak Ridge Boys

I used to care so much about
What others think about
I almost didn't have
A thought of my own
The slightest remark
Would make me embark
On a journey of self-doubt
But that was a while ago
This girl has got stronger
And if I knew then what I know now
I would have told myself
Don't worry any longer, it's okay
'Cause a face without freckles
Is like a sky without the stars
Why waste a second
Not loving who you are
Those little imperfections
Make you beautiful, lovable, valuable
They show your personality inside your heart
Reflecting who you are
Who you are
Who you are
Who you are
I wondered if I could trade my body
With somebody else in magazines
With the whole world fall at my feet
I felt damn worthy
And would blame my failures
On the ugliness I could see
When the mirror looked at me
Sometimes I still feel like that little girl
Who doesn't belong in her own world
But I'm getting better
And reminding myself
That a face without freckles
Is like a sky without the stars
Why waste a second
Not loving who you are
Those little imperfections

Make you beautiful, lovable, valuable
They show your personality inside your heart
Reflecting who you are
Reflecting who you are
Reflecting who you are
'Cause a face without freckles
Is like the sky without the stars
Why waste a second
Not loving who you are
Those little imperfections
Make you beautiful, lovable, valuable
They show your personality inside your heart
Reflecting who you are
Reflecting who you are
Reflecting who you are
Reflecting who you are
Reflecting who you are
