One night I was in Santos, it was lit like a candle
I was fly like a bird, I had on Stussy Bape camo
With a cutie espanol, she had a booty like J-Lo
She had on leggings and sandals, you've been trapped in the bando
She has to trap in the bando, 'cause her momma got cancer
She can't work in the states because her green papers ain't legal
Fuck Obama un peso, she be like grande un peso, push the molly un peso
So she can feed her abuelo, she refuse to just settle
On them shoes with them red soles
And refuse to be nude in front of them dudes on that depot
She can't lose she just ooze a bunch of ambition like Nepo
Meanwhile I could be ruler, and ride the streets on my Benzo
So, can she get molly, so bicurious off her friends though
Cause I'm feeling birdy like nerdy but he be after the bando
She pop 30's for Birdy, now Birdy's up to her head tho'
Hold on I think I see Birdy, and Birdy killed my Cuban ho...
