

Cough Syrup

[glee](#)

Life's too short to even care at all oh,
I'm losing my mind losing my mind losing control.
These fishes in the sea they're staring at me oh oh,
Oh oh oh oh,
A wet world aches for a beat of a drum.
Oh.If I could find a way to see this straight
I'd run away
To some fortune that I, I should have found by now
I'm waiting for this cough syrup to come down, come downLife's too short to even care at all oh
I'm coming up now coming up now out of the blue
These zombies in the park they're looking for my heart
Oh oh oh oh
A dark world aches for a splash of the sun oh ohIf I could find a way to see this straight
I'd run away
To some fortune that I, I should have found by nowAnd so I run now to the things they said could restore me
Restore life the way it should be
I'm waiting for this cough syrup to come downLife's too short to even care at all oh
I'm losing my mind losing my mind losing controlIf I could find a way to see this straight
I'd run away
To some fortune that I, I should have found by nowSo I run now to the things they said could restore me
Restore life the way it should be
I'm waiting for this cough syrup to come downOne more spoon of cough syrup now [x2]
