

# Stop The World I Wanna Get Off With You

## Arctic Monkeys

[Verse 1: Alex Turner]

Open Sesame. (We've places to go)

We've people to see. (Let's put 'em on hold)

There's all sorts of shapes, that I bet you can make...

When you want to escape say the word.

Well I know that getting you alone isn't easy to do.

With the exception of you I dislike everyone in the room,  
And I don't wanna lie, but I don't wanna tell you the truth.

Get the sense that you're on the move,

And you'll probably be leaving soon, so I'm telling you.

[Chorus]

Stop the world cause I wanna, get off, with you.

Stop the world cause I wanna, get off, with you.

[Verse 2: Alex Turner]

Eyes the colour of, (Water left in ?)

Ice and sugar dust. (Crazy green flashes)

It's a funny thing, that I cannot explain,

Don't you know the train keeps a-rolling?

[Chorus]

[Verse 3: Alex Turner]

Well I know that getting you alone isn't easy to do.

And I don't wanna lie, and I don't wanna tell you the truth.

And I know we got places to go, we got people to see.

Think we both oughta put 'em on hold and I know you agree.

[Chorus]
