

Tonight (We Live Forever)

Union J

Feels like a party every time you come around
Even though it's just the two of us in my house
I don't know what you do, but you're making everything feel right
I may not know much, but this feels like love
Ooh ooh ooh ooh oh oh oh
I knew when I met I was onto something good
You made me love you like I thought I never could
I have the best time, every time you're by my side
'Cause we're living for tonight Tonight we'll live forever
Do this we won't remember
But it's all good, all good
If we can, we should (we should)
As long as we're together
It's all good! Ooh oh oh
It's all good! Ooh oh oh
It's all good! Ooh oh oh You'll take a bad day and you'll make it feel alright
It might be dark outside, but you'll make my sun shine
I don't know what you do, but you're making everything feel right
'Cause this feels like love Tonight we'll live forever
Do this we won't remember
But it's all good, all good
If we can, we should (we should)
As long as we're together,
It's all good! Ooh oh oh
It's all good! Ooh oh oh
It's all good! Ooh oh oh As long as we're together
We're gonna live forever,
Gonna do whatever!
If we stick together, it will be all good
And if we stick together we can live forever
We can do whatever
It will be all good Tonight we'll live forever
Do this we won't remember
But it's all good, it's all good
If we can, we should (we should)
As long as we're together
It's all good! Ooh oh oh
It's all good! Ooh oh oh

It's all good! Ooh oh oh
