

Praise You In This Storm (Acoustic)

Casting Crowns

I was sure by now God you would have reached down
And wiped our tears away,
Stepped in and saved the day.
But once again, I say amen
That it's still raining
As the thunder rolls
I barely hear your whisper through the rain
I'm with you
And as your mercy falls
I raise my hands and praise
The God who gives and takes away And I'll praise you in this storm
And I will lift my hands
That you are who you are
No matter where I am
And every tear I've cried
You hold in your hand
You never left my side
And though my heart is torn
I will praise you in this storm I remember when I stumbled in the wind
You heard my cry you raised me up again
My strength is almost gone how can I carry on
If I can't find you
And as the thunder rolls
I barely hear you whisper through the rain
I'm with you
And as your mercy falls
I raise my hands and praise
The God who gives and takes away And I'll praise you in this storm
And I will lift my hands
That you are who you are
No matter where I am
And every tear I've cried
You hold in your hand
You never left my side
And though my heart is torn
I will praise you in this storm I lift my eyes unto the hills
Where does my help come from?
My help comes from the Lord
The maker of heaven and earth

I lift my eyes unto the hills
Where does my help come from?
My help comes from the Lord
The maker of heaven and earth And I'll praise you in this storm
And I will lift my hands
That you are who you are
No matter where I am
And every tear I've cried
You hold in your hand
You never left my side
And though my heart is torn
I will praise you in this storm And though my heart is torn
I will praise you in this storm I will praise you, praise you
I will praise you in this storm
I will praise you in this storm
I will praise you in this storm
