Daft Punk

In this dream I'm dancing right beside you
And it looked like everyone was having fun
The kind of feeling I waited so longDon't stop, come a little closer
As we jam the rhythm gets stronger
There's nothing wrong with just a little, little fun
We were dancing all night longThe time is right to put my arms around you
You're feeling right, you wrap your arms around too
But suddenly I feel the shining sun
Before I knew it this dream was all goneOh, I don't know what to do
About this dream and you
I wish this dream comes trueOh, I don't know what to do
About this dream and you
We'll make this dream come trueWhy don't you play the game?
Why don't you play the game?
