

# All Kinds Of People

## Susan Ashton

There's a time for love and a time for healing  
You can't go back and undo what's been done  
    The word of mouth, time is revealing  
    Just how far we've let this kingdom come  
        Hand to hand we're finding our way  
        And today is just tomorrow's yesterday  
        Some will die for you, some will lie to you  
    There's all kinds of people in this world  
    Turn the world around, tear the borders down  
There's all kinds of people in this world, yeah  
    Kiss of life, the hand of fate  
    The boy grows up into his father's son  
    And he learns to love, been taught to hate  
        To carry on the way it has been done  
        All our lives it's debts to repay  
    Maybe someday we can put the past away  
    Some will die for you, some will lie to you  
    There's all kinds of people in this world  
    Turn the world around, tear the borders down  
    There's all kinds of people in this world  
    Some will die for you, some will lie to you  
    There's all kinds of people in this world  
        Turn your fear away, find a better way  
There's all kinds of people in this world, yeah

    Then in a moment things can change  
    One look behind, it's never the same  
    Some will die for you, some will lie to you  
    There's all kinds of people in this world  
    Turn the world around, tear the borders down  
    There's all kinds of people in this world  
    Some will die for you, some will lie to you  
    There's all kinds of people in this world  
    Turn the world around, tear the borders down  
    There's all kinds of people in this world  
    Some will die for you, some will lie to you  
    There's all kinds of people in this world  
    Turn the world around, tear the borders down  
    There's all kinds of people in this world

Some will die for you, some will lie to you  
There's all kinds of people in this world  
Turn the world around, tear the borders down  
There's all kinds of people in this world  
Some will die for you, some will lie to you  
There's all kinds of people in this world  
Turn the world around, tear the borders down  
There's all kinds of people in this world
