Movin' Around

Vengaboys

If the beat's gonna make you move
If the beat's gonna make you moveIf the beat's gonna make you move
You start to groove, now put your hands in the air
Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move

If the beat's gonna make you move

If the beat's gonna make you move

If the beat's gonna make you moveIf the beat's gonna make you move
You start to groove, now put your hands in the air
Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air Feel the bass go down

Love is all about movin' aroundIf the beat's gonna make you move You start to groove, now put your hands in the air

Feel the bass go down Love is all about movin' around
