

Did It Hurt?

Never Shout Never

Advisory - the following lyrics contain explicit language:

I've been waitin' my whole life for a someone like you
To go and pick me up and take away my blues
It's been one hell of a year in my own shoes
But I got
Some questions for you Did it hurt when you fell from heaven?
Did it hurt just to know I was right here awaiting
Do you know, do you know
It was love from the first time we
Touched I've been waitin' my whole life for a someone like you
To go and steal my heart just the way you do
It's been one hell of a year here awaitin' on you
So I've got
Some questions for you Did it hurt when you fell from heaven?
Did it hurt just to know I was right here awaiting
Do you know, do you know
It was love from the first time we touched Fa la
Oh ooh
Ooh ooh ooh
Do do do do do
Ahh
