

Candy and a Currant Bun

Pink Floyd

Oh, my girl sitting in the sky
Go buy candy and a currant bun
I like to see you run
Lay backDon't talk to me
Please, just fuck with me
Please, you know I'm feeling frailIt's true, sun shining very bright
It's you, I'm gonna love tonight
Ice cream tastes good in the afternoon
Ice cream tastes good if you eat it soonDon't touch me child
Please, know you drive me wild
Please you know, I'm feeling frailDon't try another cat
Don't go where other you must know why
Very, very, very frailOh, my girl sitting in the sun
Go buy candy and a currant bun
I like to see you run
Like that
