One Last Time

The Brass Monkeys

I wind you up
then I wait for the melancholy
I give you up
while you sit here in all your glory
I never thought you would
I never knew you could
but now you're gone
and I don't think I care
I sold your love
down the river for a bow and arrow
euphoria has just been here
and she's looking terrible
I never sung this low
it's better if you go
I know you're mine
I sit here and want you to try
to love me like a monster
one last time
control me like a father
one last time
stay with me till I'm stronger

one last
bound to kick me when I'm down
don't kick me when I'm down
I never thought you would
I never understood
and that's why I'm weak and I want you to try
to make me an example
one last time
to drag me through the cycle
one last time
to make me a disciple
one last
round, will get me to the ground
you'll get me on the ground
(oh yeah)
I'll see you around
yeah, I'll see you around

one last time
and I'll see you around
yeah, I'll see you around
(na na na na na na na.....)
