

Forever & Always

Taylor Swift

Once upon a time, I believe it was a Tuesday when I caught your eye
And we caught onto something
I hold onto the night, you looked me in the eye and told me you loved me
Were you just kidding?
'Cause it seems to me, this thing is breaking down
We almost never speak
I don't feel welcome anymore
Baby what happened? Please tell me 'Cause one second it was perfect, now you're halfway out the door [Chorus]
And I stare at the phone, he still hasn't called
And then you feel so low you can't feel nothing at all
And you flashback to when he said forever and always
Oh, and it rains in your bedroom
Everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always
Was I out of line?
Did I say something way too honest, made you run and hide
Like a scared little boy
I looked into your eyes
Thought I knew you for a minute, now I'm not so sure
So here's to everything coming down to nothing
Here's to silence, that cuts me to the core
Where is this going? Thought I knew for a minute, but I don't anymore [Chorus]
You didn't mean it baby, I don't
think so
Oh back up, baby, back up
Did you forget everything?
Back up, baby, back up
Did you forget everything? 'Cause it rains in your bedroom
Everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always
Oh, I stare at the phone, he still hasn't called
And then you feel so low you can't feel nothing at all
And you flashback to when we said forever and always
And it rains in your bedroom
Everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always
You didn't mean it baby,
You said forever and always, yeah.
