

# A Shot in the Arm (Alternate Version)

## Wilco

The ashtray says  
You were up all night  
When you went to bed  
With your darkest mind  
Your pillow wept  
And covered your eyes  
And you finally slept  
While the sun caught fire You've changed We fell in love  
In the key of see  
We walked along  
Down by the sea  
You followed me down  
The neck to D  
And fell again  
Into the sea You changed  
Oh, you've changed Maybe all I need is a shot in the arm  
Maybe all I need is a shot in the arm  
Maybe all I need is a shot in the arm  
Maybe all I need is a shot in the arm  
Maybe all I need is a shot in the arm  
Maybe all I need is a shot in the arm  
Something in my veins bloodier than blood  
Something in my veins bloodier than blood  
Something in my veins bloodier than blood  
Something in my veins bloodier than blood The ashtray says  
You were up all night  
When you went to bed  
With your darkest mind You changed  
Oh, you've changed What you once were isn't what you want to be any more  
What you once were isn't what you want to be any more  
What you once were isn't what you want to be any more  
What you once were isn't what you want to be any more
