Sexy Girls

Dirty Loops

Sexy girls in the club
I'll be whatever you want me to be
Sexy girls in the clubNights at the pleasure dome always gets me in the zone
As hypnotizing as the musicSparkle lips shakin' hips at my fingertips
With you I start to crush your soul sickHey ladies prove the goods so nice
Fill it up for all my guys
Tonight's the night I'd like to raise the glass
To the addictive kind that I occupies my mind
Won't let another moment pass
This one for youSexy girls in the club
I'll be whatever you want me to be
Sexy girls in the club
The night is young and the party's on me
Even when the DJ's gone I'll keep the music on just for you oh
Sexy girls in the clubThe floor is just a freakin' zoo
I can hardly make it through
It's even crazier when we appearFrom the left to the right our bodies in the neon light
Shooting sparks of inner transitySo ladies prove the goods so nice
Fill it up for all my guys
Tonight's the night I'd like to raise the glas
To the addictive kind that I occupies my mind
You gimme moment of my time
In another youSexy girls in the club
I'll be whatever you want me to be
Sexy girls in the club
The night is young and the party's on me
Even when the DJ's gone I'll keep the music on just for you oh
Sexy girls in the clubLet's goYeah yeahSexy girls in the club
I'll be whatever you want me to be
Sexy girls in the club
The night is young and the party's on me
Even when the DJ's gone I'll keep the music on just for you oh
Sexy girls in the clubSexy girls in the club
I'll be whatever you want me to be
Sexy girls in the club
The night is young and the party's on me
Even when the DJ's gone I'll keep the music on just for you oh
Sexy girls in the club
