

This Is the One

Thin Lizzy

I've got to find an occupation, I've got to keep myself employed
It's a bad situation, my brain's destroyed
I've got to find a new vocation, I feel it burning down inside
Such a low down abrasion, inside it hurts my pride I hear it, I know it, I touch it, I feel it, I see it
Some day we will have won
I can feel it in my bones, this is the one
I hear it, I know it, I touch it, I feel it, I see it
Some day thy will be done
I can feel it in my bones, this is the one Got a bad situation, I can feel it building up inside
Got a certain reputation, outside outside
I've got another situation, I can feel it building to my soul
Hell bent, hell raising, I feel it through my soul I hear it, I know it, I touch it, I feel it, I see it
Some day thy kingdom come
I can feel it in my bones, this is the one
I hear it, I know it, I touch it, I feel it, I see it
Some day we shall overcome
I can feel it in my bones, this is the one I hear it, I know it, I touch it, I feel it, I see it
Some day thy kingdom come
I can feel it in my bones, this is the one
I hear it, I know it, I touch it, I feel it, I see it
Well now this is your son
I can feel it in my bones, this is the one I hear, I touch it, I feel it, I see it
Some day thy will be done
I can feel it in my bones, this is the one
I hear it, I know it, I touch it, I feel it, I see it
I can feel it in my bones, this is the one I hear it, I know it, I touch it, I feel it, I see it
[Incomprehensible]
I can feel it in my bones, this is the one
