

Once in a Lifetime

[Sarah Brightman](#)

Cuando anochezca
Te esperaré
Quiero volverte loco esta noche
Con la luna llena
Te esperaré
Hoy moriras entre mis brazos
Nunca soaste algo igual Let me dive in
To pools of sin
Wet black leather on my skin
Show me the floor
Lay down the law
I need to taste you more Then I feel your sea
Raining down on me
Can this be my once in a lifetime
Hell's at heaven's door
As I need you more
You know you're my once in a lifetime [Foreign content] When you take me
And make me cry
Then I feel you satisfy
Show me the cage
It's all the rage
And lock it up Found a part of me
That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime Once in a lifetime
Once in a lifetime
Once in a lifetime Giving you my soul
Letting you control
Took away a part of my lifetime
Memories of you
Left me black and blue
Now I know you're once in a lifetime Then I feel your sea
Raining down on me
Can this be my once in a lifetime
Hell's at heaven's door
As I need you more
You know you're my once in a lifetime Found a part of me

That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime Then I feel your sea
Raining down on me
Can this be my once in a lifetime
Hell's at heaven's door
As I need you more
You know you're my once in a lifetime Found a part of me
That's a mystery
That will be just once in a lifetime
