

Obsolete

Maz

Nothing is the way it seems
Discernin' man from machines
Dominate as to erase
Wipin' man off earth's face
Fueling engines through deceit
To eradicate humanity
Man is obsolete

Erased, extinct

Nothing is the way it seems
Discernin' man from machines
Dominate as to erase
Wiping man off earth's face
Now, defaced by all inept justice
Shamed by the mental abuses
Branded inferior weakness
Ordered to cease and to desist

Man is obsolete

Our world, obsolete

Man is obsolete

Erased, extinct

Obsolete, obsolete

Obsolete, obsolete

Fueling engines through deceit
Eradicate humanity
Defaced by all inept justice
Shamed by the mental abuses
Branded inferior weakness
Ordered to cease and to desist

Man is obsolete

Our world, obsolete

Man is obsolete

Erased, extinct

Man is obsolete

Our world, obsolete

Man is obsolete

Erased, extinct

Obsolete, obsolete

Obsolete, obsolete

Man is obsolete

Man is obsolete

Man is obsolete

Man is obsolete
