

# All Hallows Eve (Album Version)

## Type O Negative

Fall fires burn 'neath black, twisted boughs  
Sacrifice to above  
Smoke swirling quickly towards misting clouds  
Offering of this blood Into the flames and without shame  
Consumed with howls and screams  
Pumpkins grin in their despair  
On all Hallows eve  
Hallows eve Cruel be the wind as it quells my words  
I shout out to the rain  
Incantations, I've so hope you've heard  
That you live again From deep earth brings forth  
Rebirth witness but I shant believe  
From below, a chilling glow  
On all Hallows eve  
Hallows eve Be spiderwebbed and glazed in frost  
She wears death beautifully  
More stunning now than in her life  
On a bed of autumn leaves Into her eyes and quite surprised  
I whispered, "Don't you leave"  
Sing macabre songs an' we'll dance 'til dawn  
On all Hallows Eve  
Hallows Eve Saint Lucifer, hear me prayin' to thee  
On this eve of all saints  
High be the price but then nothing is free  
My soul, I'll gladly trade Hallows Eve  
Hallows Eve Cold is the night in so many ways  
Lunar round, full and bright  
Deep be the mud on the fresh dug graves  
On yours, I recite An ancient spell, I know so well  
Success is guaranteed  
I'll bring you back from where you've gone  
On all Hallows Eve  
Hallows Eve Saint Lucifer, hear me prayin' to thee  
On this eve of all saints  
High be the price but then nothing is free  
My soul, I'll gladly trade Hallows Eve  
Hallows Eve Hallows Eve  
Hallows Eve
