

# With Friends Like You, Who Needs Friends?

## Kisschasy

Hey there green eyes, you are just in time, you're under my knife  
I will clean you up and show you then to all of my friends  
And we will walk around town hand in hand to show them you're mine  
And I will write you some rock and roll song that goes something like this  
Oh, oh, oh, hey green eyes  
Oh, oh, oh, just in time  
Oh, oh, oh, I am all that you need  
Hey there brown hair, you will compliment my image this week  
And we will get along fine just as long as you never speak  
And I'll try not to break your heart darling, if you keep smiling  
I'll just keep you on the shelf, yeah  
Oh, oh, oh, hey green eyes  
Oh, oh, oh, just in time  
Oh, oh, oh, I am all that you need  
Oh, oh, oh, hey green eyes  
Oh, oh, oh, just in time  
Oh, oh, oh, I am all that you need  
Oh, oh, oh, hey green eyes  
Oh, oh, oh, just in time  
Oh, oh, oh, I am all that you need  
I am all that you need  
I am all that you need
