

# Be Mine

David Gray

From the very first moment I saw you  
That's when I knew  
All the dreams I held in my heart  
Had suddenly come true Knock me over stone cold sober  
Not a think I could say or do  
'Cause baby when I'm walking with you now  
My eyes are so wide Like you reached right into my head  
And turned on the light inside  
Turning on the light  
Inside my mind hey Come on baby its all right  
Sunday, Monday day or night  
Written blue on white its plain to see  
Be mine, be mine Rainy shiny night or day  
Whats the difference anyway  
Honey till your heart belongs to me If I had some influence girl  
With the powers that be  
I'd have them fire that arrow at you  
Like they fired it right at me And maybe when your heart  
And soul are burning you might see  
That every time I'm talking with you  
Its always over too soon That everyday feels so incomplete  
Till you walk into the room  
Say the word now girl  
I'll jump that moon hey Come on baby its okay  
Rainy shiny night or day  
Theres nothing in the way now  
Don't you see  
Be mine, be mine Winter summer day or night  
Centigrade of Fahrenheit  
Baby till your heart belongs to me  
Be mine, be mine Thursday, Friday short or long  
When you got a love so strong  
How can it be wrong now mercy me  
Be mine, be mine Jumpin' Jesus holy cow  
What's the difference anyhow  
Baby till your heart belongs to me Be mine, be mine  
Be mine, be mine  
Be mine, be mine
