

No Mistakes

Kanye West

Believe it or not
Believe it or not Make no mistake, girl, I still love you
Make no mistake, girl, I still love you
Make no mistake, girl, I still love you
Make no mistake, girl, I still love you Take the top off, let the sun come in
(Believe it or not, the Lord still shines on you)
Woah, for all my dogs that stay down, we up again (yeah)
(Believe it or not, the Lord still shines on you)
Oh, I got dirt on my name, I got white on my beard
I had debt on my books, it's been a shaky ass year
Let me make this clear, so all y'all see
I don't take advice from people less successful than me, huh?
Ain't no love lost, but the gloves off
And we up in this bitch until they turn the club off
Had to tell the dogs, turn the snuffs off
Plus they already mad that the Cubs lost
(The Lord still shines on you)
(Believe it or not)
These two wrongs'll right you
(Believe it or not, the Lord still shines on you)
I was too grown in high school
(Believe it or not)
The true soul of Ice Cube
Too close to snipe you
(The Lord still shines on you)
Truth told, I like you
(Believe it or not, the Lord still shines on you)
Too bold to type you
(Believe it or not)
Too rich to fight you
Calm down, you light skin!
Make no mistake, girl, I still love you (make no)
Make no mistake, girl, I still love you (No way)
Make no mistake, girl, I still love you
(Believe it or not, the Lord still shines on you)
Make no mistake, girl, I still love you
Make no mistake, girl, I still love you
(Believe it or not, the Lord still shines on you)
Make no mistake, girl, I still love you

Make no mistake, girl, I still love you
(Believe it or not, the Lord still shines on you)

Make no mistake, girl, I still love you
