

# Fight

## No Vacancy

In our ring of blood this much is true  
I never thought that I'd be fighting you  
    But you stole my heart  
    You cheated in line  
    You weren't in my corner  
you weren't on my sideThe gloves are off  
    You've hit below the belt  
    Now it's time out baby  
    And they've rung the bell  
I'm not a fighter I'm a lover  
    But if you run  
THEN RUN FOR COVER!

FIGHT FOR YOUR LIFE! YEAH!Now theres a round to go

    I'm coming out strong  
    I'll hit a knockout punch  
    With this heart-felt song  
And then when they count you down from ten  
I'll find you in my loving arms againThe gloves are off

    You've hit below the belt  
    Now it's time out baby  
    And they've rung the bell  
I'm not a fighter I'm a lover  
    But if you run  
THEN RUN FOR COVER!

FIGHT FOR YOUR LIFE! YEAH!(Guitar solo)I'm not a fighter I'm a lover

    But if you run  
    THEN RUN FOR COVER!  
FIGHT FOR YOUR LIFE! YEAH!
