Average Girl

Emily Osment

February 14th you say you wanna see me
I'm thinking chocolate and flowers
We meet for breakfast I'm feeling restless
Been gettin' ready for hours
Walk through the door gonna give you a kiss
But you turn your head to avoid my lips
And who's this girl that your with
Does this mean we're over overI gave you my heart in a sweet love letter
But you gave it right back said I like her better
That's when my whole world came crashing down
And shes walking around like the girl of your dreams
With her Angelina lips double zero jeans
Cant believe I didn't see this coming around
Shes just so beautiful, I'm just an average girlHe says I'm sorry, I just keep smiling
Inside it feels like I'm broken
I say its okay happy valentines day
The biggest lie I've ever spoken
They're walking out the door and I wave goodbye
As soon as their gone I start to cry
Put my faith in the wrong guy its over overI Give you my heart in a sweet love letter
But you gave it right back said I like her better
That's when my whole world came crashing down
And shes walking around like the girl of your dreams
With her Angelina lips double zero jeans
Cant believe I didn't see this coming around
Shes just so beautiful, I'm just an average girlNow they're gone
And I feel fatal
Scratch his name out on the table
He's a jerk he's a loser
He's a love abuserFebruary 14th I'm feeling sad and lonely
Nobody here wants to hold meI Give you my heart in a sweet love letter
But you gave it right back said I like her better
That's when my whole world came crashing down
And shes walking around like the girl of your dreams
With her Angelina lips double zero jeans
Cant believe I didn't see this coming around
I Give you my heart in a sweet love letter
But you gave it right back said I like her better
That's when my whole world came crashing down

Shes just so beautiful
Shes just so beautiful
Shes so beautiful
I'm just an average girl
