Faking The Books

Lali Puna

We've been done before
And now we try to forge ourselves
We've been done before
And now we try to forge ourselves

I'll be true again
But until then I fake the books
'Cause everybody knows
This ain't heaven
Until everybody knows

We've been wrong before
There is a lot that we survived
We've been wrong before
There is a lot that we survived

I'll be true again
But until then I fake the books
'Cause everybody knows
This ain't heaven
Until everybody knows
