I Can't Hold Back

Survivor

There's a story in my eyes

Turn the pages of desire

Now it's time to trade those dreams

For the rush of passion's fireI can feel you tremble when we touch

And I feel the hand of fate

Reaching out to both of usI've been holding back the night

I've been searching for a clue from you

I'm gonna try with all my might

To make this story line come trueCan ya feel me tremble when we touch?

Can ya feel the hands of fate?

Reaching out to both of us

This love affair can't waitI can't hold back, I'm on the edge

I can't hold back

Your voice explodes inside my head

I can't hold back, I won't back down

Girl, it's too late to turn back nowAnother shooting star goes by

And in the night the silence speaks to you and I

And now the time has come at last

Don't let the moment run too fastI can feel you tremble when we touch

And I feel the hand of fate

Reaching out to both of usAnd there's a story in my eyes

Turn the pages of desire

Now it's time to trade those dreams

For the rush of passion's fireI can't hold back, I'm on the edge

I can't hold back

Your voice explodes inside my head

I can't hold back, I won't back down

Girl, it's too late to turn back nowI can feel you tremble when we touch

And I feel the hand of fate

Reaching out to both of us

This love affair can't waitI can't hold back. I can't hold back

I can't hold back, I can't hold back

I can't hold back
