

Little White Doves

Wheat

I remember what it's like
to be a victim almost every night.
And no one knows, or really cares
what your drinking, or the clothes we wear.

Hello, Hello
To the Pirate stations
Hello, Hello
To the Ivy Nations
Hello, Hello
To all the generation

Yeah

We come like little white doves, little white doves.

Little white doves, little white doves, baby.

Little white doves, little white doves.

Yeah.

And terraced boys with the jet-set crowd
paint their nails while we paint the town.

Coming up or getting down
lose yourself to the future sound.

Hello, Hello
To the smiling faces
Hello, Hello
So take it back to basics

Hello, Hello
To all the generations

Yeah

We come like little white doves, little white doves.

Little white doves, little white doves, baby.

Little white doves, little white doves.

Yeah.

We come like little white doves, little white doves.

Little white doves, little white doves, baby.

Little white doves, little white doves.

Yeah... yeah, we come like

If you lose yourself in the weekend
we learn the vase on mondays
come forward circles sundays

We come like little white doves, little white doves.

Little white doves, little white doves, baby.
Little white doves, little white doves.
Yeah... yeah, we come like
We come like little white doves, little white doves.
Little white doves, little white doves, baby.
Little white doves, little white doves.
Yeah... yeah, we come like...
