

# My Dilemma 2.0

Selena Gomez

You make me so upset sometimes  
I feel like I could lose my mind  
The conversation goes nowhere  
'Cause you're never gonna take me there And I know, what I know  
And I know you're no good for me  
Yeah I know, what I know  
And I know it's not meant to be Here's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My-my-my dilemma  
From the moment I met ya  
I just can't get you out of my head (can't get you out of my) And I tell myself to run from you  
But I find myself attracted  
To my dilemma, my dilemma  
It's you, it's you Your eyes have told a thousand lies  
But I believe them when they look in mine  
I heard the rumors but you won't come clean  
I guess I'm hoping it's because of me And I know, what I know  
And I know you're no good for me  
Yeah I know, what I know  
And I know it's not meant to be Here's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My-my-my dilemma  
From the moment I met ya  
I just can't get you out of my head (can't get you out of my) And I tell myself to run from you  
But I find myself attracted  
To my dilemma, my dilemma  
It's you, it's you One day I want you  
And then I don't  
I'm gonna leave you  
And then I won't.  
I can't live live with or without you  
I can't live live with or without you Here's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My-my-my dilemma  
From the moment I met ya  
I just can't get you out of my head (can't get you out of my) And I tell myself to run from you

But I find myself attracted  
To my dilemma, my dilemma  
It's you, it's you(It's you, it's you)  
It's you, it's you  
It's you, it's you (it's you)  
It's you, it's you, it's you (my-my-my dilemma)
