

# Whatcha Say (Klubjumpers Remix Radio)

## Jason Derulo

What did she say I was so wrong for so long  
Only tryin' to please myself (myself)  
Girl I was caught up in her lust  
When I don't really want no one else  
So no I know I should of treated you better

But me and you were meant to last forever So let me in (let me in) give me another chance (another chance)

To really be your man

'Cause when the roof caved in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you

So tell me girl Whatchu say, whatchu say

What did she say How could I live with myself  
Knowing that I let our love go (love go)  
And ooh what I'd do with one chance

I just gotta let you know

I know what I did wasn't clever

But me and you we're meant to be together So let me in (let me in) give me another chance (another chance)

To really be your man

'Cause when the roof caved in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you

So tell me girl Mmmm whatcha say

Mmm that you only meant well?

Well of course you did

Mmmm whatcha say (whatcha say whatcha say)

Mmmm that it's all for the best?

Of course it is Girl tell me whatcha said (said)

I don't want you to leave me

Though you caught me cheatin'

Tell me tell me whatcha said (said)

I really need you in my life

'Cause things ain't right girl

Tell me tell me whatcha said (said)

I don't want you to leave me

Though you caught me cheatin'

Tell me tell me whatcha said (said)

I really need you in my life

'Cause things ain't right'Cause when the roof caved in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you  
So baby watcha say!Mmmmm whatcha say  
Mmm that you only meant well?  
Well of course you did  
Mmmmm whatcha say (whatcha say whatcha say)  
Mmmmm that it's all for the best?  
Of course it is  
Mmmmm whatcha say  
Mmm that you only meant well?  
Well of course you did  
Mmmmm whatcha say (whatcha say whatcha say)  
Mmmmm that it's all for the best?
